B. Fischer

North Central High,  
Thy name we hold so dear,  
Leading us onward, guiding through the  
years.  
Through our trials and our pleasures  
Gain we strength and unity.  
Proudly we stand with honor and  
dignity.  
North Central High,  
We pledge our love to thee.

# NORTH CENTRAL HIGH SCHOOL

**CLASS OF 1982**

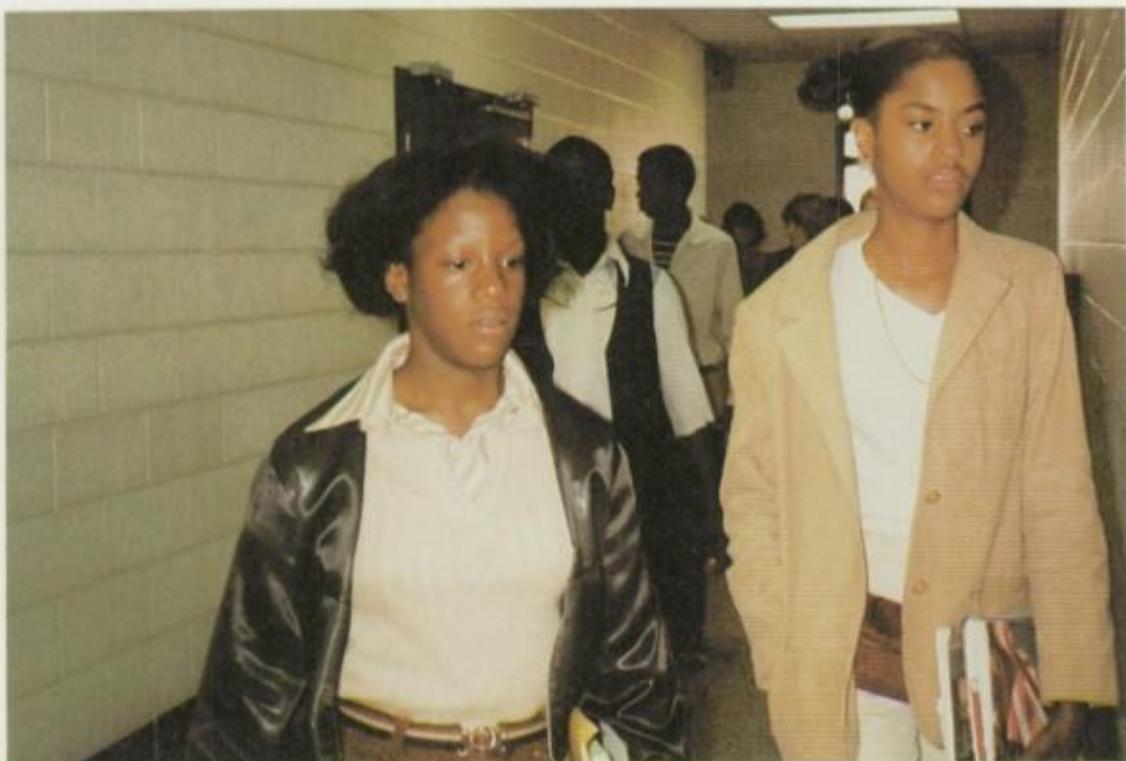

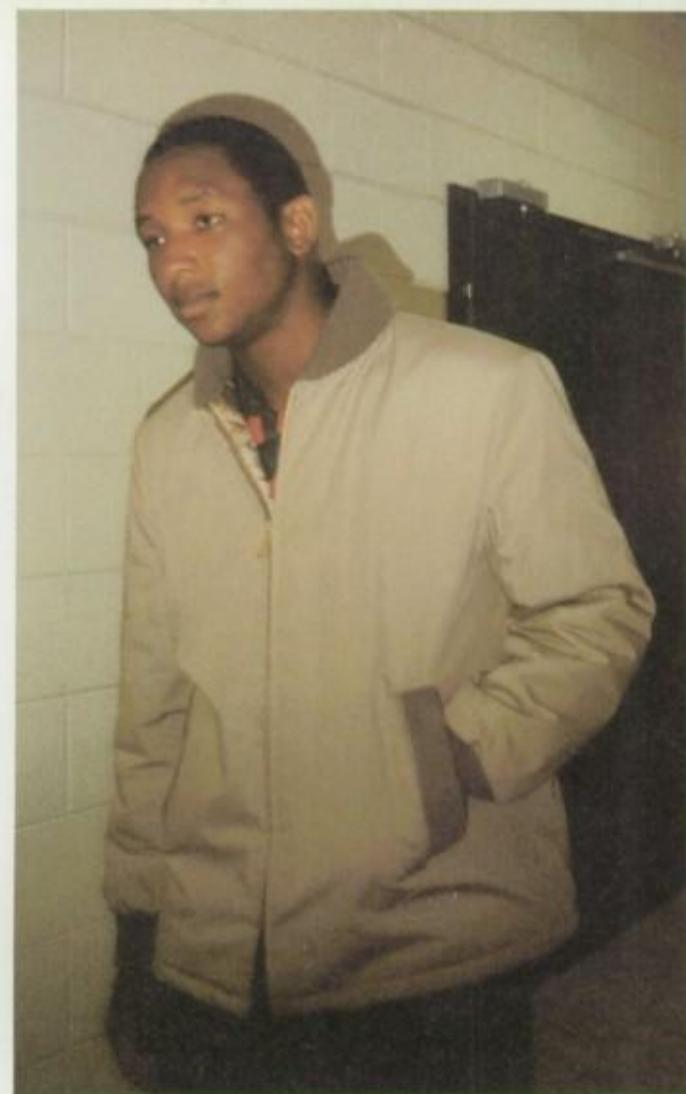

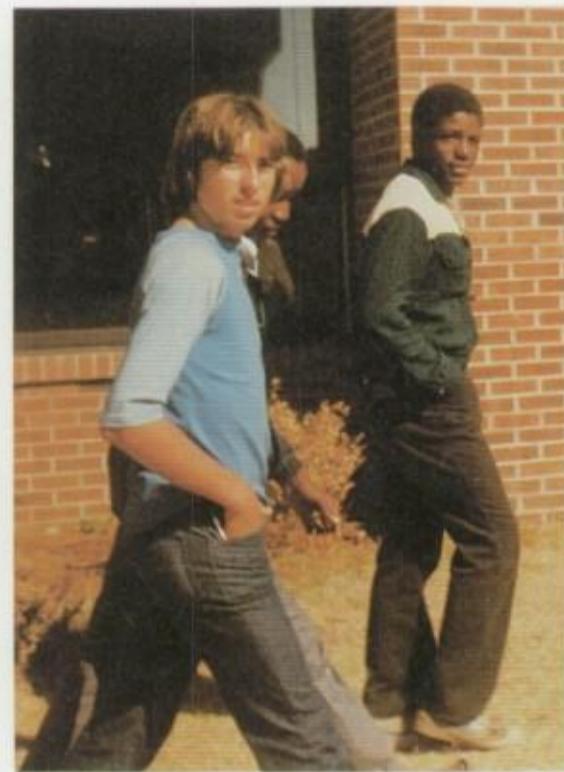

We are born into the World  
Like a blank canvas . . .

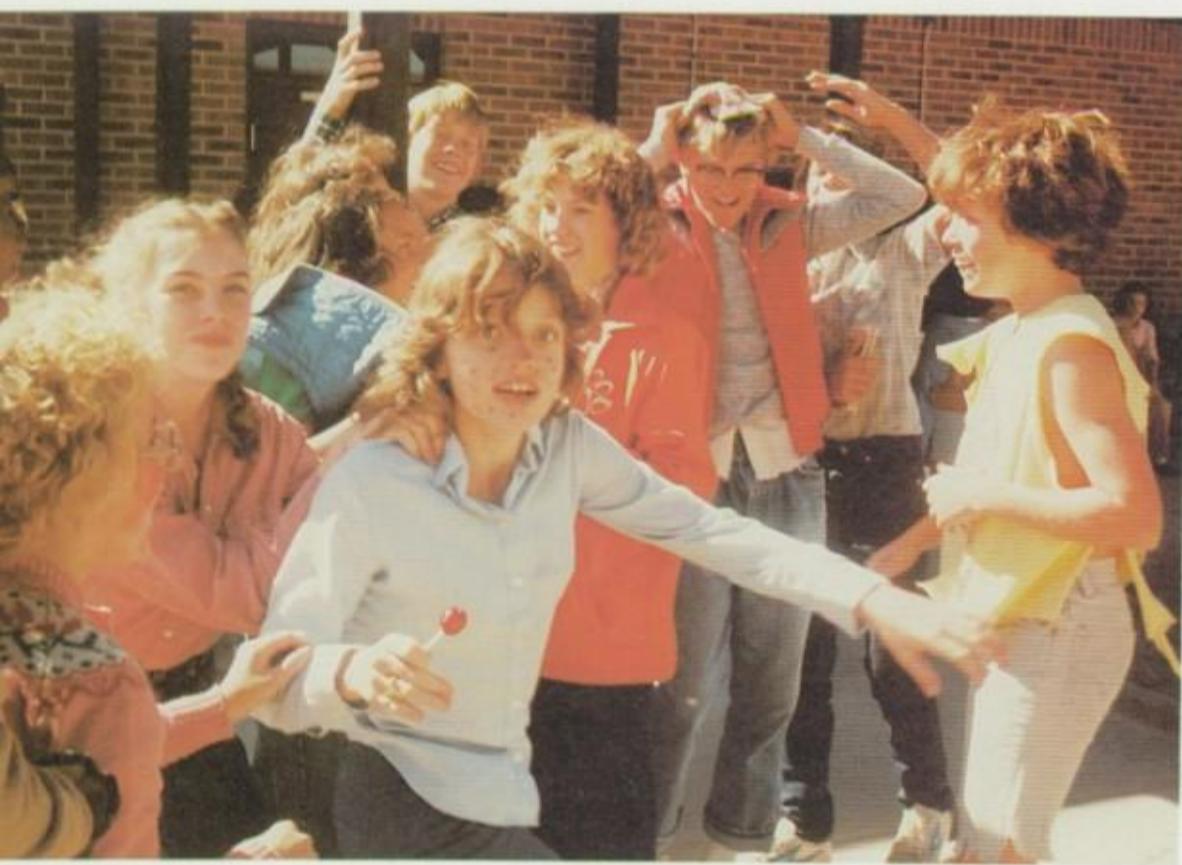

And each person that crosses our path

Takes up the brush . . .

**And makes his mark**

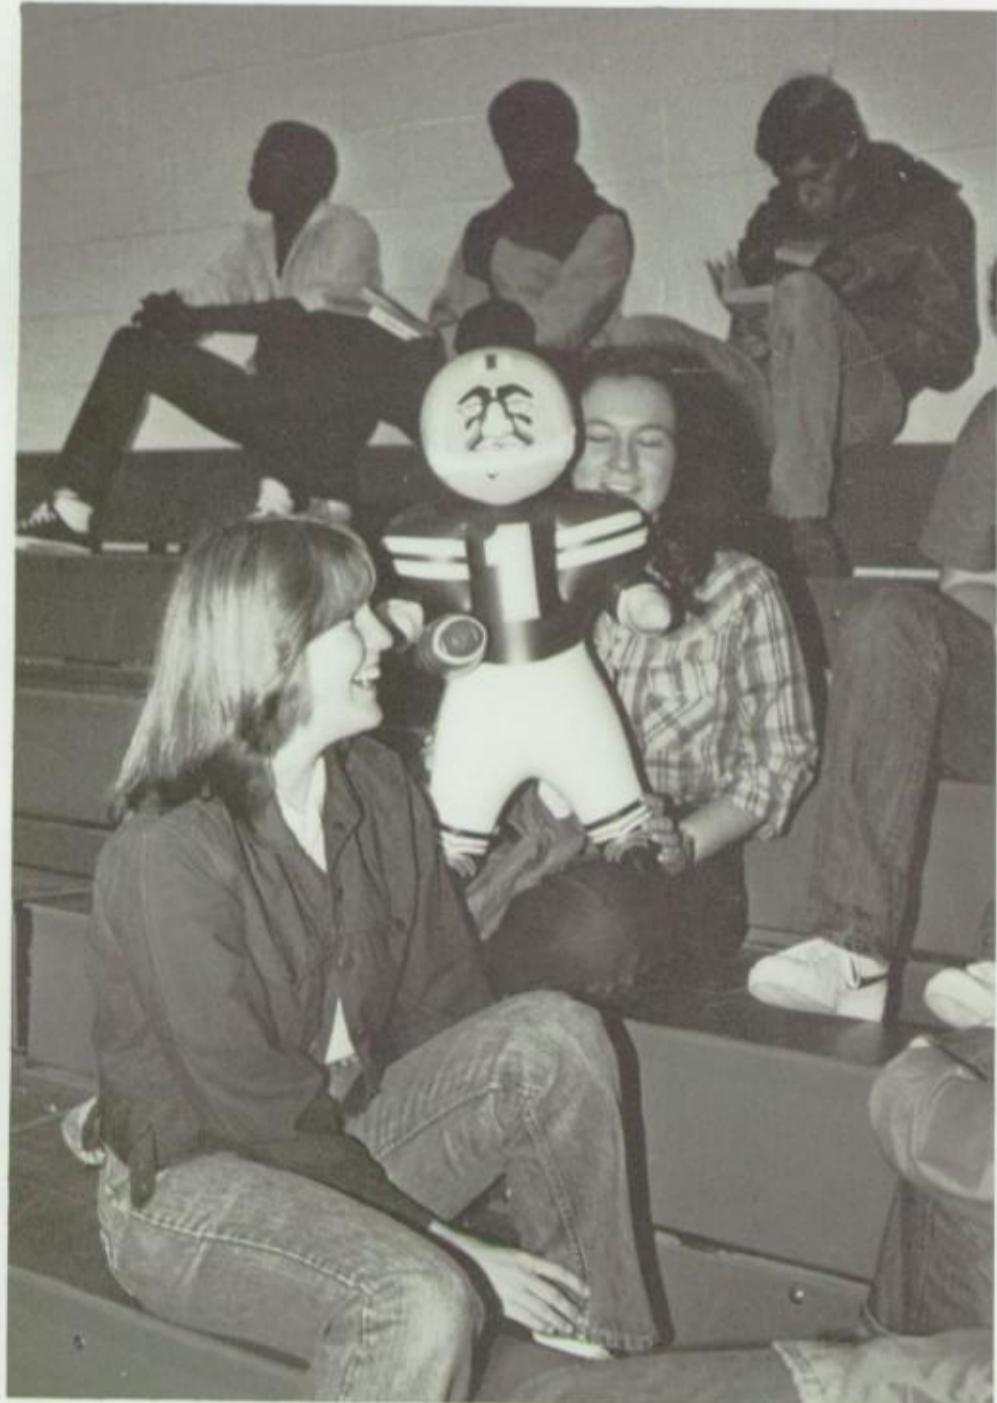

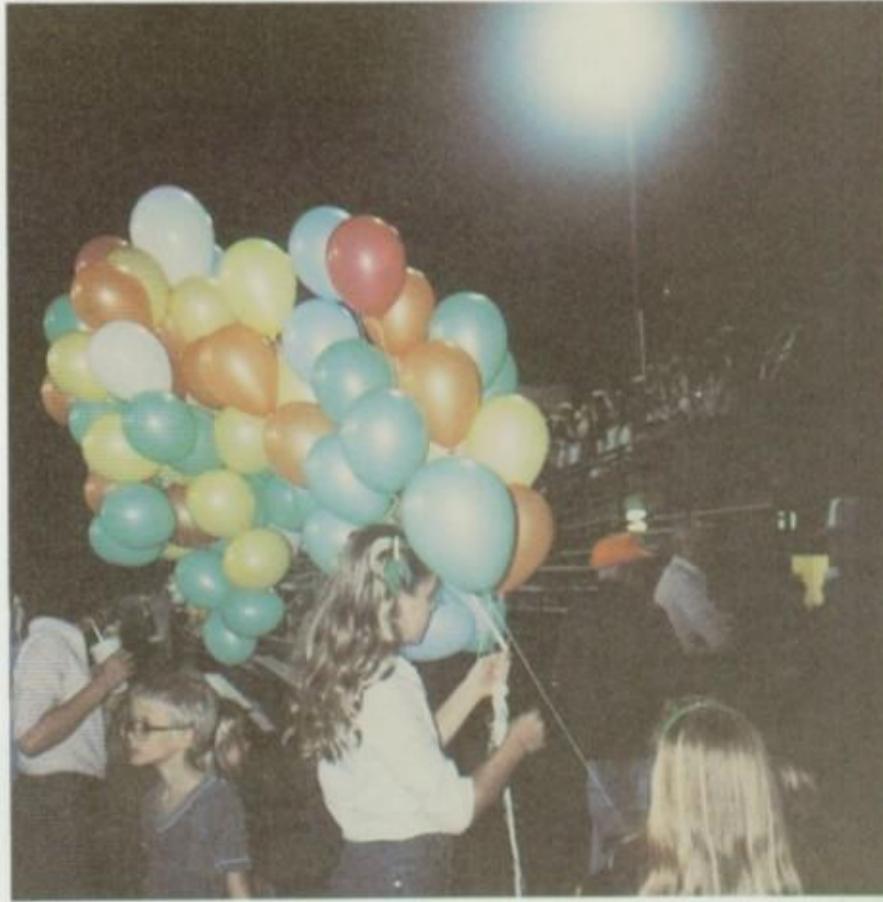

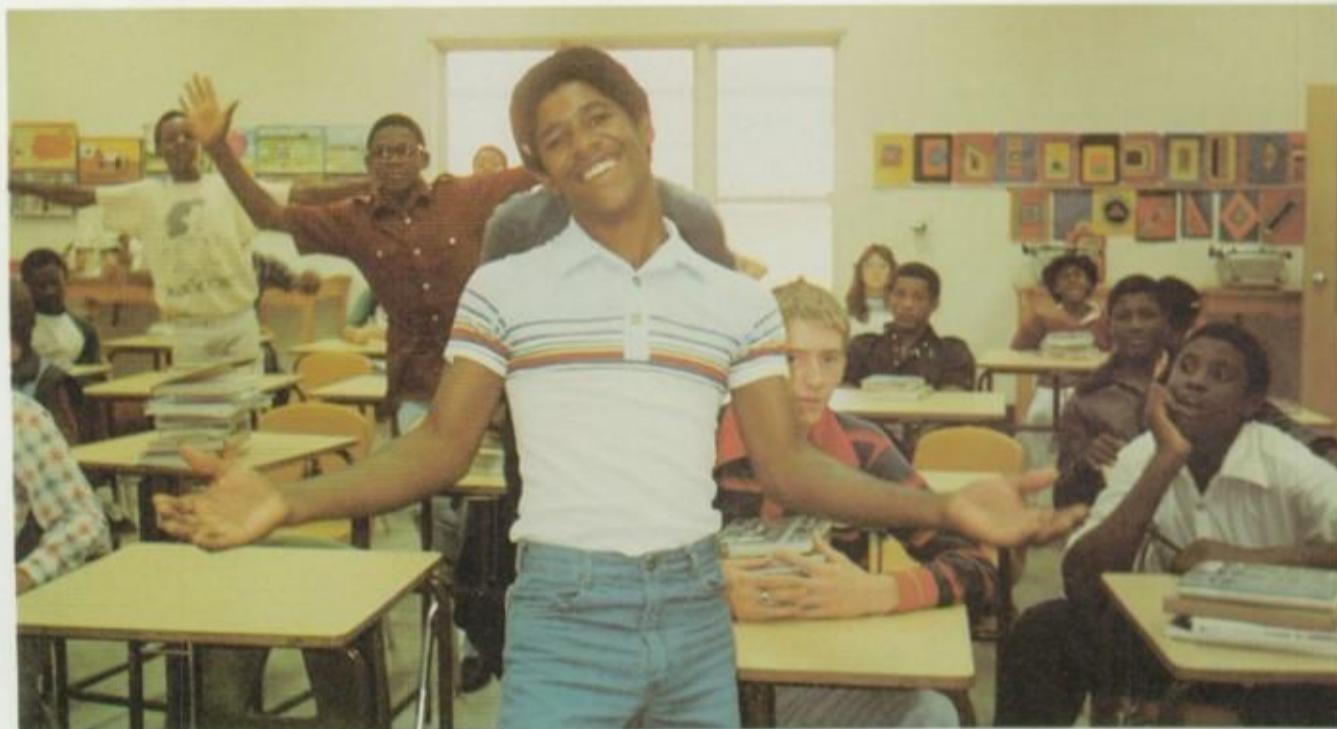

**Upon our surface**

**So it is that we develop**

But we must realize there comes a day  
That we must take up the brush

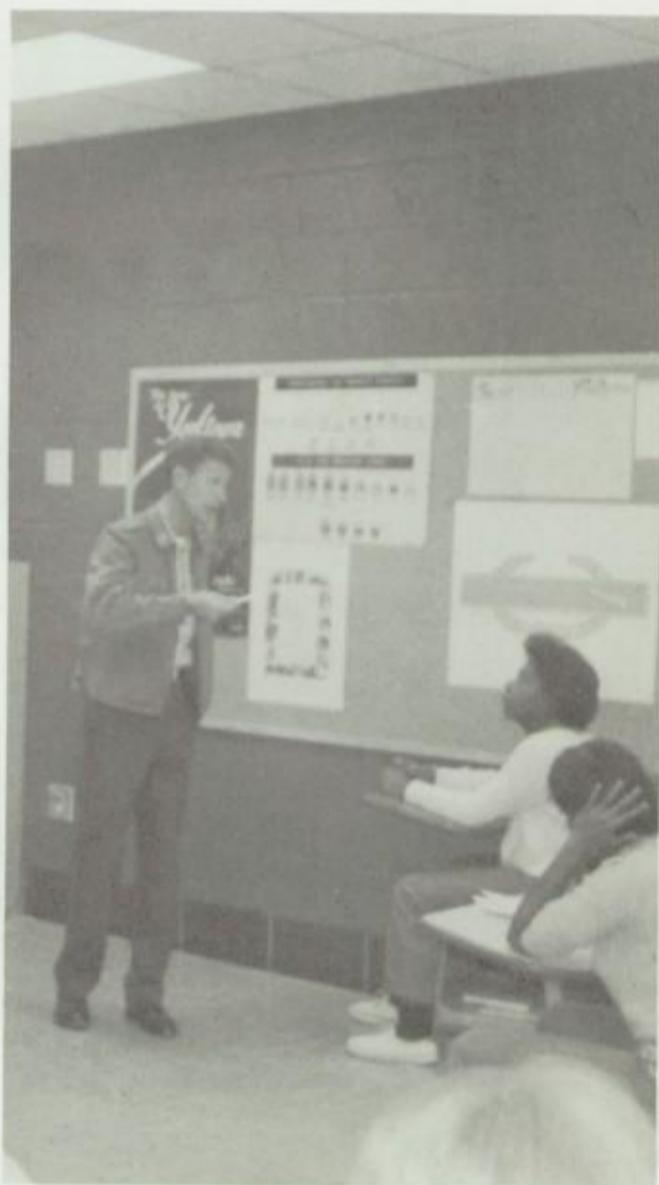

**And finish the work.**

**For only we can determine . . .**

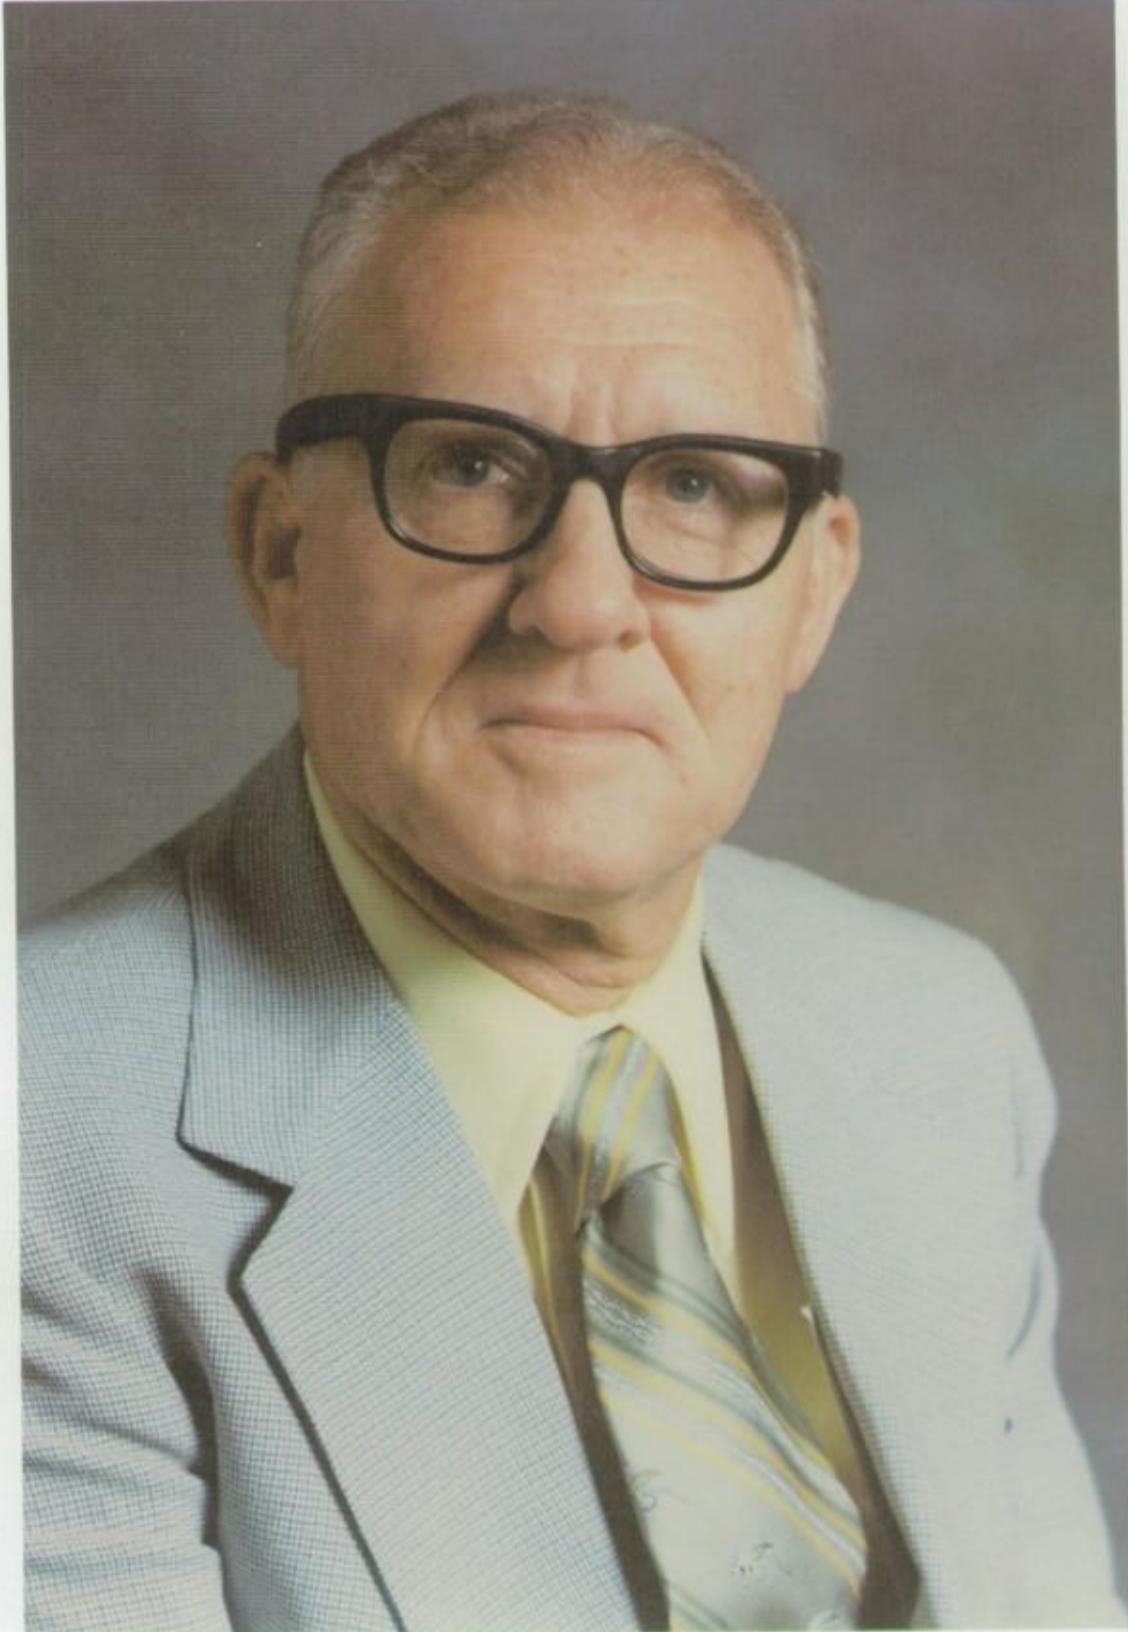

If we are to be  
Just another painting . . .

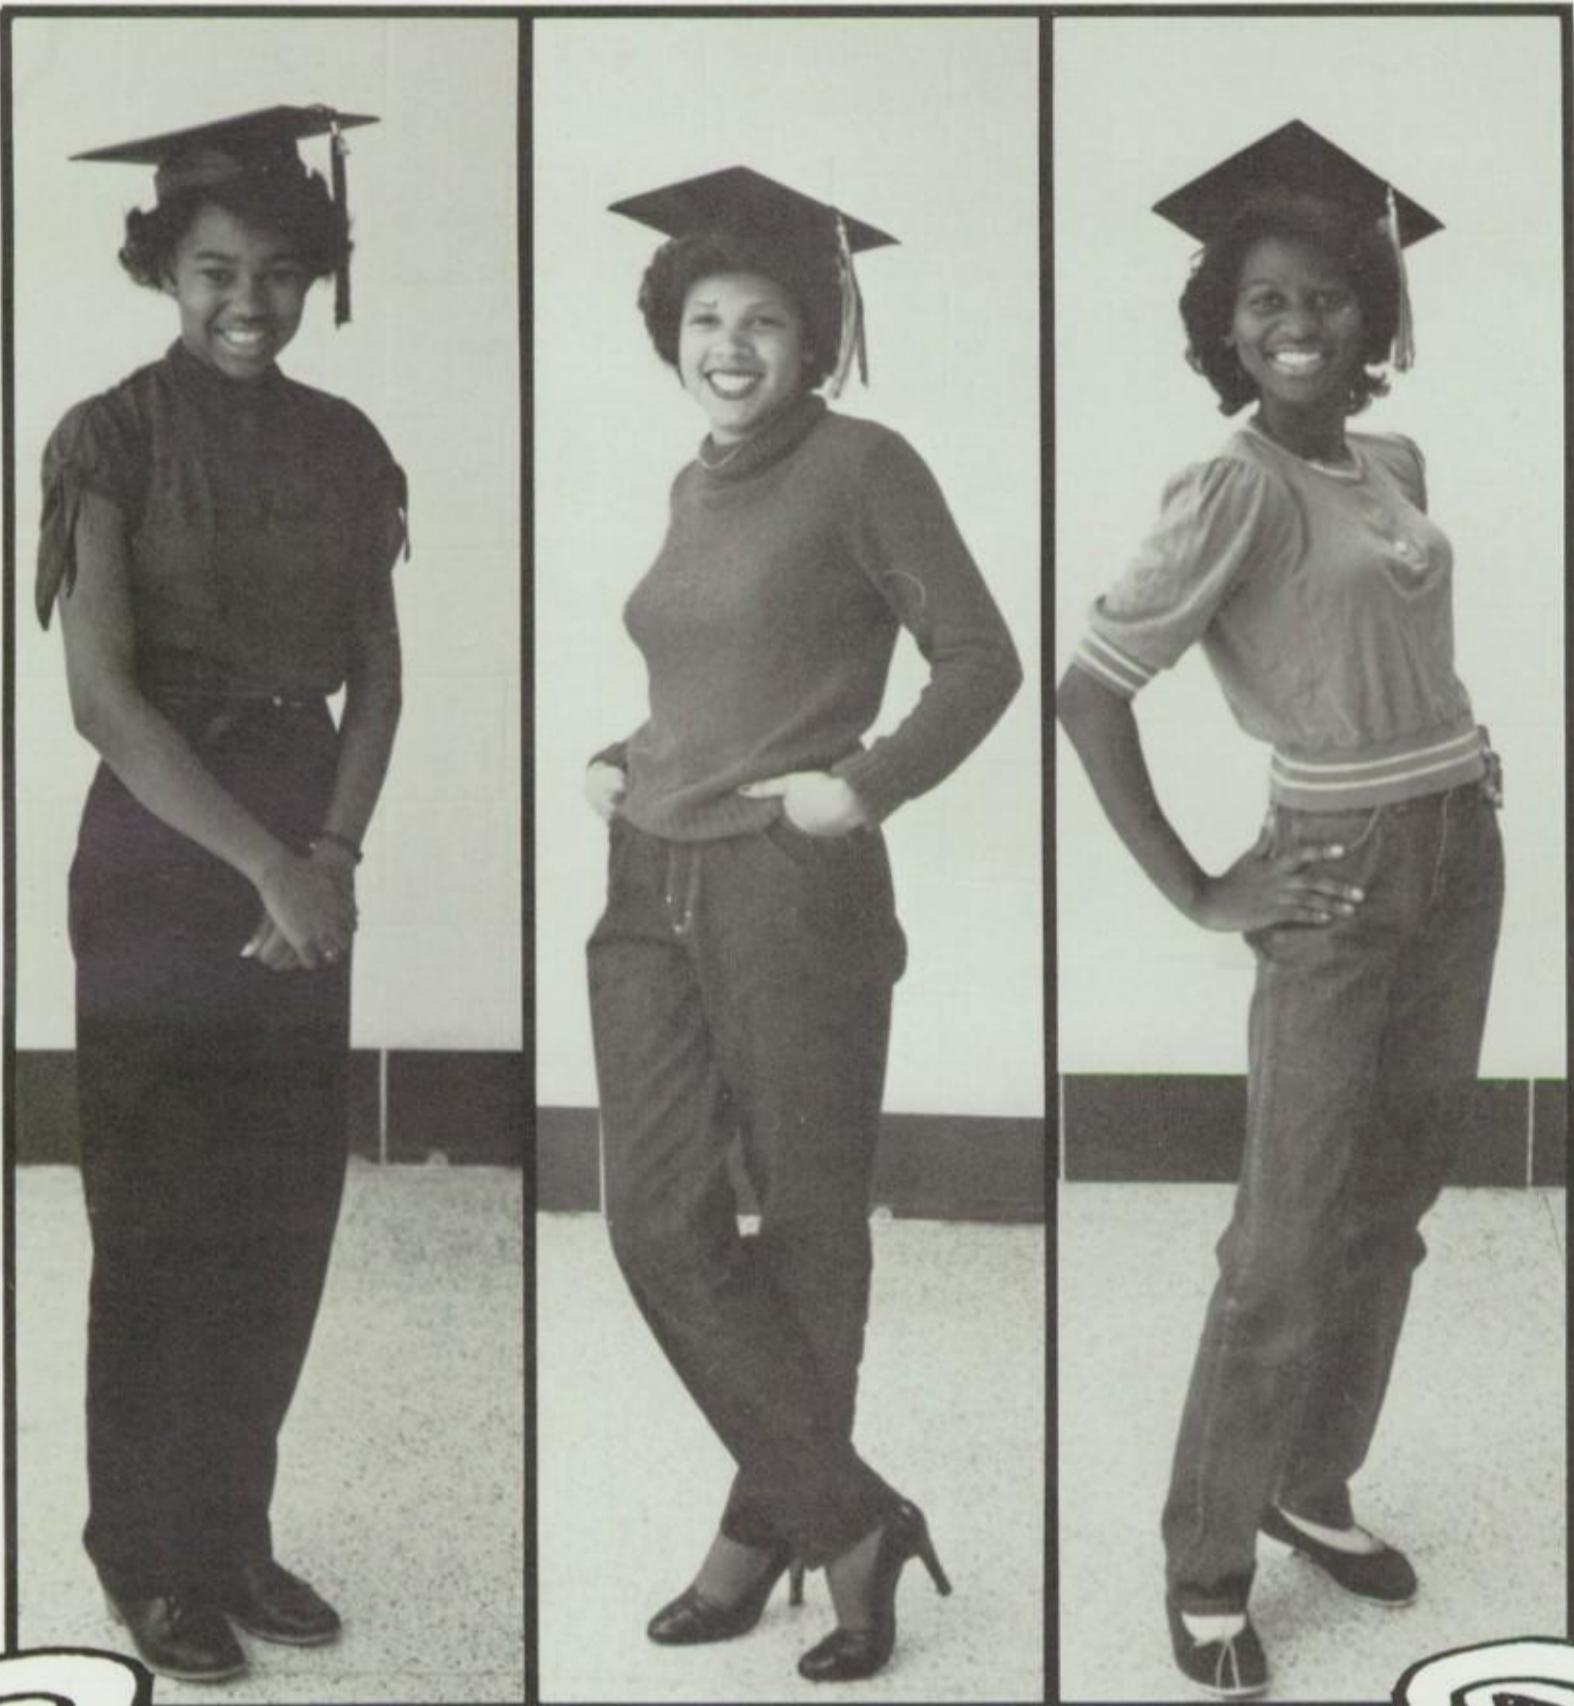

**Or a Masterpiece!**

## Mr. S.H. Baggett

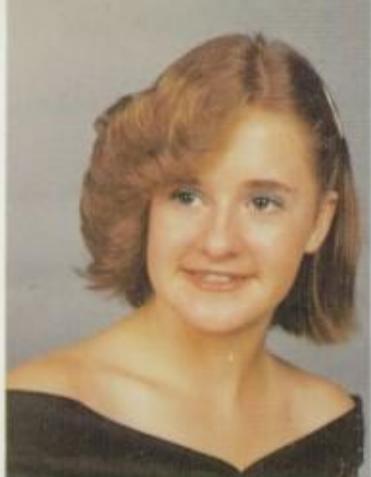

Henry Baggett left North Central after 26 years of dedicated, educational service. He graduated from Appalachian State Teacher's College in 1940, and turned down a coaching position at Wingate Junior College. He accepted the opportunity to become principal at his Alma Mater, St. Stephens Elementary School. After a few years he left St. Stephens and joined the General Motor's Corporation. Upon leaving General Motor's he set his sights toward traveling, then realized traveling wasn't what he wanted out of life.

He rejoined the teaching profession as principal at Macedonia High School. After five years he left to become principal at Mt. Pisgah High School. He stayed there for 15 years until Mt. Pisgah and Baron DeKalb High Schools consolidated into North Central High School, where he was principal for 2 years. Mr. Baggett commended his success to a great faculty. He said he would miss working with children. His plans are to spend his leisure time visiting and golfing.

North Central students had more than their share of accidents this year. Sharon McLeod was on her way to be a contestant in the 1981 Homecoming festivities, when she had a tragic automobile accident. She was flown to Richland Memorial Hospital where they found she had a crushed knee and ankle, a dislocated shoulder and her leg was broken in several places. Sharon spent several weeks in the hospital. Despite all this she was able to keep up with her class.

# FACULTY

It is my sincere hope for all North Central High School students that you will look back on your high school years with fond memories, pride, and appreciation for the contribution that the teaching staff has made in helping you achieve your goals.

You will always be a part of the North Central family because whatever you become in life, it is a reflection of the training you received at home, church, and school.

Best Wishes,  
AARON HOUGH, Principal

To administer an enterprise is to keep it running as smoothly and effectively as possible. This is essential but no small task. However important, this is not the top priority. Leadership is inherent. In a year of transition from teacher-coach I have endeavored to lead rather than administer, and with continued support and cooperation of administration, faculty and staff, parents and students, North Central will retain a status that all concerned will be proud to be a part of.

Mr. Robert Gardner,  
Asst. Principal

(8) Stephanie and Julie worked hard on the ad pages.

### What is this . . . The Roaring 50's?

This year's annual staff consisted of 16 members. Most of them were unaware of the hours of hard work and patience, that must go into the making of a good yearbook. There were many times when we were frustrated and we all wanted to quit at least one time during the year. A few did drop off the staff, but those of us who stayed, share a deep sense of pride in what we have created. Even though it has been a difficult year, we hope our efforts will bring back fond memories in years to come and will bring enjoyment every time you look through this annual. We would also like to extend our thanks to Mrs. Barbara Tucker for her continued support. A very special thanks to Mr. Aaron Hough for his outstanding help and support, to Doug Cross for being top ad salesman and to Stephanie Glenn for the many hours she spent on the terrific art work in this year's "Shield."

Thank you staff for a job well done.

## KNIGHT TIMES STAFF

This year the students at North Central were able to get information on school happenings by something other than gossip. The Knight Times was published for the first time this year and printed stories on just about anything having to do with our school. There was even a story on the various methods of cheating which gave some students new ideas. This article gave some teachers a few new ideas too.

The Knight Times was issued free to every student at North Central High School. This was accomplished by selling advertisements to nearby businesses and companies. Mr. Blaskowitz said that the staff hopes to sell more ads and therefore issue an even larger paper next year.

The senior staff members seem to be having a good time.

Mr. Blaskowitz — Staff Advisor

# SILVER KNIGHTS

The Silver Knights Band consisted of forty-six bright and talented students from grades eight through twelve. Under the direction of Ms. Beckwith (below), the band had an excellent season. The band's drum major, LaShella Kirkland, (right) started out her first year of leading the band in half-time ceremonies and parades. During the month of October the Silver Knights competed in the Southern States Marching Band Festival in Camden and State Contest in Lugoff. The Silver Knights participated in the Christmas parade in Kershaw and the Catfish Stomp in Elgin. The band also put together some very pleasant concerts. The Silver Knights, a very young and determined band, will continue to serve the community for many years.

Thirty-two people made up the girls and boys track team. Twelve girls and twenty boys. We had a good year. There were twelve seniors. All of the girls and a majority of the boys went to the conference meet. Valarie Hood qualified in the state meet along with Kenneth Clark and Eddie Love. Kenneth Clark finished first in the high hurdles and Eddie Love finished fourth in the high jump. With the help of our managers, Tyrone Rutherford and Michelle Danzy, along with all of the other members of the team: we had a successful season.

Coach Robert Roberts brought the North Central golf team into their first year of competition. Their record wasn't what they would have liked it to have been, but they enjoyed it. The teams most talented player was Russell Catoe who shot in the high 70's during tournament play. North Central ended up in third place in the conference, with Andrew Jackson coming in first and Great Falls coming in second. Seven out of ten players should be back and 1982 promises to be a good year.

# **"The Knight Series"**

Knight Ball — Coach Hinson was very pleased with the 1981 baseball season. Their record in the conference was four wins and six losses. They played every team twice and split wins with all of them, except Lewisville and Pageland Central. Both of these teams were tops in the conference. North Central lost four seniors. The 1982 season should be better, with more experienced players.

## CONFERENCE CHAMPS

The North Central Lady Knights hosted the conference 3AA tournament. They first met the Chesterfield Rams defeating them two games straight and going on to meet the Central Eagles. Again, the Lady Knights won two games straight sending them to the semi finals against arch rival Andrew Jackson. After eliminating the Volunteers, North Central met the Great Falls Demons in the finals. The Knights had to play the Demons twice, defeating them in the final match, giving our Lady Knights the Conference Championship.

Good pass Rhonda, but what kind of form is that.

The team could always count on Beth to get the ball over.

Rhonda is amazed at Maxine's great form in spiking.

Valarie, are you serving the ball or trying to skate?

Give up Mrs. Wilkes, your Surrounded.

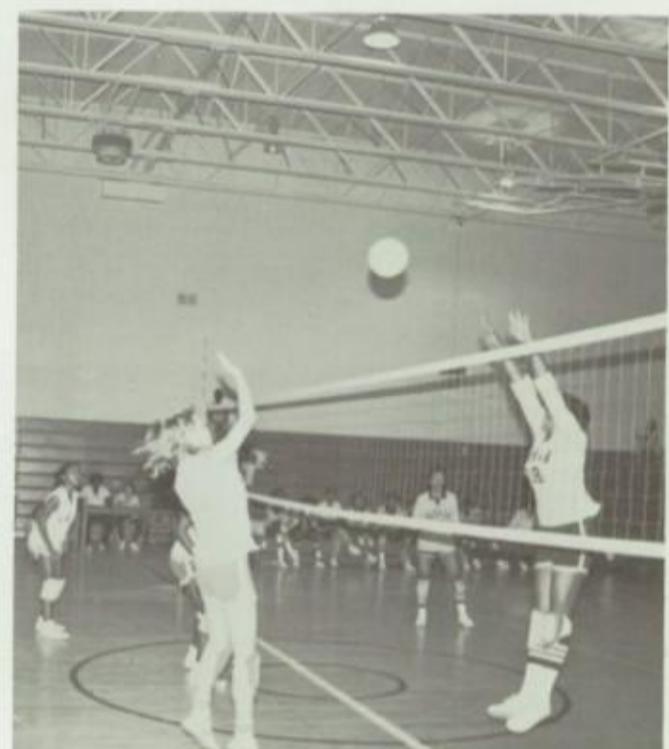

Laura, are you cheering or spiking?

Move over Laura, Maxine's trying to block the ball.

The Lady Knights had good position on the court.

As you can see, there is a lot more to volleyball than just standing on the court and hitting the ball over the net.

Eddie Taylor showed excellance on the field as a punter this year. Many people in this area considered him a bona-fide college prospect. Eddie's preference was for a Division I school, but he took a good look at all offers before deciding. Coach Few considered Eddie a valuable asset. He felt that Eddie could be the deciding factor of any game by simply being able to punt the ball. Not only did he get North Central out of a lot of tight situations this year, but he did well enough to be elected to the North side of the North-South football game. Don't be surprised if you see him playing college ball next year.

## NEW COACH, YOUNG TEAM

After two very successful years under the leadership of Coach Gardner, North Central turned over the reins to Charles Hinson. Coach Hinson took over a very young team. He had only three seniors on the team this year. His young players provided the North Central fans with many close and exciting games. This year they have beaten such teams as Midlands' top 10, Camden, McBee and rival Andrew Jackson. With each win the team seems to get more confidence. With a young team and a first year coach the future looks even brighter for the team.

The 1981-82 North Central Knights, Girls basketball team started by suffering early season losses to strong non conference teams. However, by mid-season the team began to rebound and enjoyed the trill of several victories. Aside from winning, the players led by seniors, Maxine Pate and Laura Seegars, began to realize other benefits from their basketball experiences. Dedication to improvement, and unselfish team approach became goals that were encouraged by all team members. Two other seniors, Deanna Rick and Naomi Samuel, were instrumental in the teams improvement. Under classmen, Joyce Pate, Pat Rutledge, and Elaine Jackson, added much speed and defensive hustle to the team. Nancy Evans and Lisa Seegars added adequate inside support. With patients from Coach Jimmy Morton and the help from the managers Valarie Hood and Janet Field the team had a successful season.

Mrs. Tucker,

I have really enjoyed working on the annual staff. It was hectic a lot of times but the majority of time we had fun! But I can tell you one thing - if I see one more banner I think I will scream. I really feel sorry for the person who does all those soap bubbles next year! Do they have a treat in store for them.

One thing I really learned - better late than never - was to say "No!" You know it feels good to be able to say that 2-letter word sometimes.

I'm going to miss you - but hopefully we can see each other again this summer, maybe - if the other lady doesn't work with you this summer I might take you up on the offer if it still stands. Have a good summer!

Love ya,  
Stephanie (J)
